

Created For Purpose

-Prayer Team-

Created for Purpose is an immersive experience that will require investment from a whole host of individuals, including yourself. For this journey, we ask that you raise a team of individuals that are willing to pray for you throughout this process. From applying, to your 14 days in the wilderness, and throughout your year-long period of follow-up mentoring, you will be asking these individuals to keep you in prayer.

Just as a climber carefully selects an individual to hold the rope as he or she ascends, so you too will call on the support of friends and family to “hold the ropes” in prayer for your exciting venture into this life-changing year.

We ask that you gather at least 10 individuals who will commit to “hold the ropes” in prayer. As you build your team, record their names below:

1.	6.
2.	7.
3.	8.
4.	9.
5.	10.
